A variety of crafts were sold at a fundraising fair in aid of North Wolds West Division Rangers at Pocklington's Burnby Hall.

Local craftspeople attended the event and sold items ranging from jewellery and flowers to candles and ceramics.

More than 30 members of the North Wolds West Division Rangers helped organise and run the event and about 600 shoppers attended to have a look at and buy the crafts on sale.

The rangers served refreshments and also held a raffle and tombola.

The event raised more than £2,000 for the rangers group.

Group leader Bronia Trynka-Watson said: "It was really good, it was well supported."

"We do it every year, it's an annual event."
