

On Saturday 13th June 2015 Hedon Guides and Senior Section joined Guides from Hull and headed off by coach to the Sheffield Motorpoint Arena for the long awaited Big Gig!!

The girls looked great in their themed outfits which included minions and neon disco.

They were thrilled to arrive at the Arena and couldn't wait to take their seats for the performances. It was an awesome sight to see 10,000 excited and colourful Guides and Senior Section packed into the Arena. Once the lights dimmed all you could see were glow sticks and flashing lights and all you could hear were screams of excitement as the acts took to the stage one by one.

Dionne Broomfield hosted the concert and talked to the audience about the 'girls can' campaign. She did a fantastic job of revving the girls up in between acts too.

The atmosphere was electric with anticipation and contagious with smiles.

The event was supported by 50 volunteers working none stop on the merchandise stands which the girls enjoyed visiting during breaks in the performances.

The Concert was opened by the brilliant Vamps, Matt Hall from the Little Comets wore a Brownie t-shirt on stage and DJ Labrinth headlined. His performance certain had the whole Arena jumping.

Even at the services stop off on the way home the girls were still full of chatter about the concert.

The Sheffield BIG GIG managed to cater to every music taste imaginable

Take a look at the acts to see just how varied and star-studded the show was!
