

County Report 2022

Beverley Division

Beverley Division has had an active year. Units have been to Paxwold and Guideacres, PGL, and Poacher camp. Girls have enjoyed the Beverley Guilds trail, sports activities on Westwood, cook outs, grass sledging and camp fires. There were visits to the cinema and pantomime and craft sessions, games and pizza evenings in meeting places. We managed to reopen a Rainbow Unit which had been closed since Covid and which is now full. Sadly, however, we had to close 2 Brownie Units which lost their meeting places. Even more sad was the loss of one of our young Guiders to cancer. Hannah is very much missed.

Boothferry Division

GOOLE & HOWDENSHERE DISTRICT
1st Howden Guides held an annual camp at Guideacres, 19th Goole Guides fundraised for a Goole Homeless charity and units went to pantos and also Guideacres Jingle All the Way. Also 1st Howden Guides made miniature Christmas trees and attended the Remembrance Day parade.

SNAITH DISTRICT
District had a thanks event for volunteers where multiple service awards were handed out. Including a 60 year for Sylvia. 1st Snaith

Brownies did a need. Snaith Guides sleepover. Snaith first sleepover and Christmas themed

Anna Davies had the late Queen's funeral as inscription in the of the District and

danceathon for children in went to the county Rainbows also had their Pollington brownies had a sleepover at Paxwold

privilege of attending the a steward and wrote an Memorial book on behalf County.

Haltemprice Division

It was brilliant to get back to Division Events this year. We held a Thinking Day Event, a Science Event and an Outdoor event for over 100 girls doing a variety of activities. The postponed PGL trip from 2020 took place, a brilliant time was had by all.

*2nd Kirkella Guides
Queens Platinum Jubilee celebrations
effectively.*

Units have continued to have meetings outside of the normal meeting places and these have included Painting at Tea & Biscuit, a trip to the panto, evenings at Guideacres and trip to Build a Bear. Some units have taken the girls away on sleepovers. Units took part in the Odeon Cinema event to watch Matilda. Many of our leaders also gained Long Service Awards. We also have leaders who finished their leadership qualification.

I would like to say a very big thank you to all of the leaders who give up their time to run units, do the various trainings, take the units away and on trips. It's only a 1½ hours a week after all.

Holderness Division

Holderness Division have had a successful 2022, from a well organised, thoroughly enjoyable Rainbow Fun Day at Guideacres to various Platinum Jubilee celebrations across the Division. We have also had several positive meetings about the new Division structure that we have put in place for 2023 moving forward, which is going to relieve the individual workload and help support the division more

In 2022 we saw a return of girls to Guiding. The division members used the facilities at Guideacres

our County site which had laid dormant for a long time during the pandemic. Using the traversing wall, parachute games, archery, go-carts, grass sledging and indoor games has meant so much to the girls. Other units cooked outside, camped and have had evening campfires.

The units have been engaging with the new programme and we have seen girls receiving Gold, Bronze and Silver awards within the Division. Many girls in the Brough District have been attending Church parade. A number of the units in the Division went to the Odeon cinema

to see 'Matilda' the musical.

Numbers in the Brough area are increasing due mostly to increase housing developments.

Ferriby District guides re opened with a new leader.

Hessle District is thriving. We said goodbye and thank you to Lesley Brazendale who retired from the district as a Commissioner and Jean who over many years was Treasurer.

All volunteers have been attending trainings and online courses. During the pandemic we lost units, but we are hoping to reopen them once we get more volunteers.

Hull East Division

During 2022 95th St Hilda's Brownies and Guides of Hull East Division enjoyed a joint weekend away at Hesley Wood taking part in outside activities such as zipline, obstacle course, cave bus, and

canoeing. We celebrated the Queens Jubilee with afternoon tea and the Guides celebrated their 10 year anniversary. Brownies did make a teddy bear with Travelling Tilly. Guides went to Wings for Christmas meal. Several Brownies and Guides achieved their bronze and silver awards, 6 Brownies achieved gold awards.

85th St Columba Brownies, Guides and Rangers

All three units attended the Division Thinking Day Celebration at Kingston Wesley.

Brownies

Brownie numbers continue to be encouraging. We joined up with Kingston Wesley Brownies in January for a Penguin Challenge activity day. Had a one-night sleepover at Guideacres to introduce Brownies to sleeping away from home as only one girl had been away with us before lockdown. We did some crafts, played some games and then had a huge campfire (with smores of course). The sleepover was so successful that we joined with Kingston Wesley Brownies for our first post-lockdown Brownie Holiday at Paxwold in October. They finished the year by attending the Division Brownie Disco, and all had a great time. Awarded two Gold Awards in 2022, two Silver and six Bronze.

Guides

Guide numbers are still low but we have a decent number to come up from Brownies in September, so this should help. Guides and Rangers volunteered at the Hull 10k/Half Marathon, handing out bottles of water at the finish line and also joined together to attend Poacher at the Lincolnshire Showground in August. They ended the year with a "Brownie Holiday for Guides and Rangers" at Paxwold in December where they did a number of crafts, some baking, held a Murder Mystery evening and cooked a full Christmas Dinner.

Hull North Division

69th Hull (St Albans) Guides at Poacher 2022

Hunsley Division

1st Ferriby Guides Archery at Guideacres

North Wolds East

North Wolds East are really pleased to have most units back to full capacity. After Covid some units were very sparse in numbers, but September brought an influx of girls and leaders meaning that we kept open 2 Guide units and a Rainbow unit that were deemed to close. 3 Guide units attended Spooky Sleepover (see photo!) at Guideacres and a great time was had by them all!

By Christmas most units were going on trips, including Jingle all the Way at Guideacres, pantomimes and showings of Matilda.

North Wolds West Division

2022 was another challenging year for the Division with a shortage of Leaders and girls but we have started to grow again and there are many wonderful things happening:

- ❖ Guide Units returned to camps
- ❖ We have recruited some wonderful new Leaders with two units being run by Leaders who were Brownies, Guides and Rangers in the Division
- ❖ The Division started to plan Division events and return to a cohesive approach following the turmoil of lockdown!

Thank you to all our Leaders for everything they do to keep guiding afloat in North Wolds West.

Duke of Edinburgh Report

2022 saw a return to “full” DofE with two DofE groups in the County undertaking all their bronze and silver expeditions within the year.

Five NWW Division Rangers went to Buckingham Palace along with their parents and Bronia Trynka-Watson in May for their gold award presentations gained during previous years. They were lucky enough to meet Oliver Phelps (Weasley twins from the Harry Potter films) and to spend a beautiful sunny afternoon in the gardens.

Bronia Trynka-Watson, DofE Adviser
